4.2 Subject to Condition 8 (*Loss absorption upon a Trigger Event and reinstatement of the principal amount of the Notes*), the Notes constitute direct, unconditional, unsecured and subordinated debt obligations of the Issuer, and shall at all times rank:

- (a) *pari passu* without any preference among themselves;
 - (b) *pari passu* with (i) any obligations or capital instruments of the Issuer which constitute Additional Tier 1 Capital and (ii) any other obligations or capital instruments of the Issuer that rank or are expressed to rank equally with the Notes, in each case as regards the right to receive periodic payments (to the extent any such periodic payment has not been cancelled) on a liquidation or bankruptcy of the Issuer and the right to receive repayment of capital on a liquidation or bankruptcy of the Issuer;

- 4.4 The Issuer reserves the right in the future to issue other notes or capital instruments, with identical or other ranking than the Notes.
- 5 Interest**
- 5.1 Interest rate
- 5.1.1 The Notes bear interest on their Outstanding Principal Amount at a floating rate from (and including) the Issue Date. Interest shall be payable quarterly in arrears on 28 March, 28 June, 28 September and 28 December, commencing on 28 December 2018 (the "**First Interest Payment Date**") adjusted in accordance with the Modified Following Business Day Convention (each an "**Interest Payment Date**") in accordance with this Condition 5 and Condition 6 (*Payments*).
- 5.1.2 The rate of interest payable from time to time in respect of the Notes will be determined as the sum of:
- (a) the Copenhagen interbank offered rate (CIBOR) which appears on the website of Nasdaq Nordic, www.nasdaqomxnordic.com/obligationer/danmark/cibor, every day at 11:00 am (Copenhagen time) with a maturity of three (3) months (the "**CIBOR Rate**"); and
 - (b) 5.75 per cent. (the "**Margin**").

- 5.1.3 The CIBOR Rate is fixed by the Calculation Agent two (2) Business Days before the start of an Interest Period.
- 5.1.4 If no CIBOR Rate is published on the website of Nasdaq Nordic at 11.00 a.m. (Copenhagen time), and a CIBOR Rate with a maturity of three (3) months is published elsewhere and such rate in all material respects is calculated similarly, this rate shall be applied instead. In the event that no CIBOR Rate is published, the Calculation Agent shall fix an alternative reference interest rate based on the arithmetic mean (rounded if necessary to the fourth decimal place with 0.00005 being rounded upwards) of the lending rates for loans with a maturity of 3 months offered by the four major banks in the Danish inter-bank market plus the Margin, in each case selected by the Calculation Agent.
- 5.1.5 The Calculation Agent will cause the rate of interest and each interest amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer, the Paying Agent, VP and any stock exchange or other relevant authority on which the Notes are for the time being listed or by which they have been admitted to trading (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 17 (*Notices*) as soon as possible after their determination but in no event later than the fourth Business Day thereafter. Each interest amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the Notes are for the time being listed and to the Noteholders in accordance with Condition 17 (*Notices*).
- 5.2 Interest accrual
- 5.2.1 Interest accrues from day to day and is calculated on the basis of the actual number of days in the interest period divided by 360 (Actual/360, adjusted).
- 6 Payments**
- 6.1 Payments of principal and interest
- 6.1.1 Payments of principal, interest and any other amounts in respect of the Notes shall be made to the Noteholders shown in the relevant records of VP in accordance with and subject to the rules and regulations from time to time governing VP.
- 6.2 Payments subject to fiscal laws
- 6.2.1 All payments in respect of the Notes are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 10 (*Taxation (Gross up)*). No commissions or expenses shall be charged to the Noteholders in respect of such payments.
- 6.3 Payments on Business Days
- 6.3.1 If the due date for payment of any amount in respect of any Note is not a Business Day, the payment shall be postponed to the following Business Day, and the Noteholders shall not be entitled to any further interest or other payment in respect of such delay.

7 Interest cancellation

7.1 Interest cancellation

7.1.1 Any payment of interest (including, for the avoidance of doubt, any Additional Amounts payable pursuant to Condition 10 (*Taxation (Gross up)*)) in respect of the Notes shall be payable only out of the Issuer's Distributable Items and:

- (a) may be cancelled, at any time, in whole or in part, at the option of the Issuer in its sole discretion; or
- (b) will be mandatorily cancelled, in whole or in part, to the extent:
 - (i) that, if the relevant payment were so made, the amount of such payment, when aggregated together with other distributions of the kind referred to in Article 141(2) of the CRD IV Directive (or, as the case may be, any provision of Danish law transposing or implementing Article 141(2) of the CRD IV Directive), or any successor or analogous provision thereto, would cause a breach of any regulatory restriction or prohibition on payments on Additional Tier 1 Capital instruments relating to any applicable Maximum Distributable Amount;
 - (ii) otherwise so required by CRD IV, including the applicable criteria for Additional Tier 1 Capital instruments, or where the Relevant Regulator requires the Issuer to cancel the relevant payment in whole or in part.

7.2 Notice of interest cancellation

7.2.1 The Issuer shall give notice to the Noteholders in accordance with Condition 17 (*Notices*) of any such cancellation of a payment of interest, which notice might be given after the date on which the relevant payment of interest is scheduled to be made. Notwithstanding the foregoing, failure to give such notice shall not prejudice the right of the Issuer not to pay interest as described above.

7.3 Effect of interest cancellation

7.3.1 Following any cancellation of interest as described above, the right of Noteholders to receive accrued interest in respect of any such Interest Period will terminate and the Issuer will have no further obligation to pay such interest or to pay interest thereon, whether or not payments of interest in respect of subsequent Interest Periods are made, and such unpaid interest will not be deemed to have "accrued" or been earned for any purpose nor will the non-payment of such interest constitute a default by the Issuer for any purpose and the Noteholders shall have no rights in respect of such payment of interest whether in a bankruptcy or liquidation of the Issuer or otherwise.

8 Loss absorption upon a Trigger Event and reinstatement of the principal amount of the Notes

8.1 Loss absorption following a Trigger Event

8.1.1 If at any time a Trigger Event occurs, the Issuer shall immediately notify the Relevant Regulator and, in accordance with Condition 17 (*Notices*), the Noteholders and the Notes shall be written down as described below. Notwithstanding the foregoing, failure to give such notice shall not prejudice the write down of the Notes as described below.

8.1.2 If a Trigger Event occurs after a notice of redemption has been given pursuant to Condition 9.2 (*Early redemption upon the occurrence of a Special Event*) or Condition 9.3 (*Redemption at the option of the Issuer*) but before the relevant redemption date, such notice of redemption shall automatically be revoked and the relevant redemption shall not be made until a new redemption notice is given and all conditions for redemption as described in Condition 9.7 (*Conditions to redemption etc.*) have been fulfilled. If a notice of a Trigger Event has been given pursuant to this Condition 8.1, no notice of redemption may be given pursuant to Condition 9.2 (*Early redemption upon the occurrence of a Special Event*) or Condition 9.3 (*Redemption at the option of the Issuer*) until such Trigger Event has been cured. The redemption restrictions described in this paragraph are together referred to as the “**Trigger Event Early Redemption Restrictions**”.

8.1.3 Such write down shall:

- (a) take place on such date selected by the Issuer in consultation with the Relevant Regulator (the “**Write Down Date**”) but no later than one month following the occurrence of the relevant Trigger Event; and
- (b) be made either as a write down of the Outstanding Principal Amounts or by write down of the redemption price or by other ways giving the same intended financial results, in each case in consultation with the Relevant Regulator, and in accordance with the rules of VP.

8.1.4 Subject to compliance with the CRD IV and BRRD requirements, the amount of the write down on the Write Down Date will be equal to the lower of:

- (a) the amount of a write down of the Notes that would restore the Common Equity Tier 1 Capital Ratio of the Issuer and/or the Group, as applicable, to at least the Trigger Event Threshold at the point of such write down, taking into account the amount of Common Equity Tier 1 Capital (if any) of the Issuer and/or the Group, as the case may be, generated on or prior to the Write Down Date by the *pro rata* write down to, or, as the case may be, conversion into Common Equity Tier 1 Capital instruments of, the principal amount of all Other Loss Absorbing Instruments (if any) outstanding at such time,

provided that:

- (i) with respect to each such Other Loss Absorbing Instrument (if any), such *pro rata* write down or, as the case may be, conversion shall only be taken into account as described above to the extent required to restore the Common Equity Tier 1 Capital Ratio of the Issuer and/or the Group to the Trigger Event Threshold or, if lower, such Other Loss Absorbing Instrument’s trigger level; and
- (ii) to the extent the write down to, or, as the case may be, conversion into Common Equity Tier 1 Capital instruments of, the principal amount of any Other Loss Absorbing Instrument is not, or by the relevant Write Down Date will not be, effective for any reason:

- (x) the ineffectiveness of any such write down or, as the case may be, conversion into Common Equity Tier 1 Capital instruments shall not prejudice the requirement to effect a write down of the Notes pursuant to this Condition 8; and
- (y) the write down of, or, as the case may be, conversion into Common Equity Tier 1 Capital instruments of, the principal amount of any Other Loss Absorbing Instrument which is not, or by the Write Down Date will not be, effective shall not be taken into account in determining such write down of the Notes,

and

- (b) the amount of a write down that would write down the total nominal amount of Notes held by the Noteholder holding the least number of Notes at the Write Down Date to DKK 0.01 or so that the Issuer's payment obligations in respect of the nominal amount of Notes held by such Noteholder is reduced to DKK 0.01 (the "**Loss Absorption Minimum Amount**").

8.1.5 If, in connection with the write down of the Notes or the calculation of the amount of the write down of the Notes, there are any Other Loss Absorbing Instruments that may be written down, or, as the case may be, converted into Common Equity Tier 1 Capital instruments in full (save for any floor equivalent or comparable to the Loss Absorption Minimum Amount) but not in part only ("**Full Loss Absorbing Instruments**"), then:

- (a) the requirement that a write down of the Notes pursuant to this Condition 8.1 shall be effected *pro rata* with the write down or, as the case may be, conversion into Common Equity Tier 1 Capital instruments, as the case may be, of any Other Loss Absorbing Instruments shall not be construed as requiring the Notes to be reduced in full simply by virtue of the fact that any Full Loss Absorbing Instruments will be reduced or, as the case may be, converted in full; and
- (b) for the purposes of calculating the write down of the Notes, any Full Loss Absorbing Instruments will be treated (for the purposes only of determining the write down or, as the case may be, conversion into Common Equity Tier 1 Capital instruments among the Notes and all Other Loss Absorbing Instruments on a *pro rata* basis) as if their terms permitted partial write down or, as the case may be, conversion into Common Equity Tier 1 Capital instruments, such that the write down or, as the case may be, conversion into Common Equity Tier 1 Capital instruments of such Full Loss Absorbing Instruments shall be deemed to occur in two concurrent stages:
 - (i) the principal amount of such Full Loss Absorbing Instruments shall be written down or converted into Common Equity Tier 1 Capital instruments *pro rata* with the Notes and all Other Loss Absorbing Instruments (in each case subject to and as provided in this Condition 8.1) to the extent necessary to restore the Issuer's and/or the Group's (as the case may be) Common Equity Tier 1 Capital Ratio to at least the Trigger Event Threshold; and

- (ii) the balance (if any) of the principal amount of such Full Loss Absorbing Instruments remaining following (i) above shall be written down or, as the case may be, converted into Common Equity Tier 1 Capital instruments with the effect of increasing the Issuer's and/or the Group's Common Equity Tier 1 Capital Ratio above the minimum required level under (i) above.
- 8.1.6 The Issuer's determination of the relevant amount of a write down of the Notes pursuant to this Condition 8.1 shall be binding on all parties.
- 8.1.7 A write down to the Notes pursuant to this Condition 8.1 may occur on more than one occasion.
- 8.1.8 Following a write down of the Notes pursuant to this Condition 8.1:
 - (a) Noteholders will automatically and irrevocably lose their rights to receive – and will no longer have any rights against the Issuer with respect to – interest on the Notes and repayment of the written down amount (but without prejudice to their rights in respect of any reinstatement of the Notes pursuant to Condition 8.2 (*Reinstatement of the Notes*)); and
 - (b) interest will continue to accrue on the Outstanding Principal Amounts following such write down, and will be subject to Condition 7 (*Interest cancellation*) and Condition 8.2 (*Reinstatement of the Notes*).
- 8.1.9 For the avoidance of doubt, any write down of the Notes shall take place on a likewise *pro rata* basis.
- 8.1.10 Any write down of the Notes pursuant to this Condition 8.1 shall not constitute an Enforcement Event or a breach of the Issuer's obligations or duties under the Notes and shall not entitle the Noteholders to file for the bankruptcy or liquidation of the Issuer.
- 8.2 Reinstatement of the Notes
 - 8.2.1 Following a write down of the Notes in accordance with Condition 8.1 (*Loss absorption following a Trigger Event*), the Issuer may, at its discretion, reinstate some or all of the principal amount of the Notes, subject to compliance with the CRD IV requirements and the Reinstatement Limit, on a *pro rata* basis with all Other Loss Absorbing Instruments (if any) which would, following such reinstatement, constitute Additional Tier 1 Capital and feature similar write down and reinstatement provisions.
 - 8.2.2 Reinstatement may be made either by means of a pooling factor, where the Issuer's payment obligation under each Note is increased to a certain redemption price, or by other ways which gives the same intended financial results, or by way of issuing new notes that qualify as Additional Tier 1 Capital of the Issuer to the relevant Noteholders. Any such new note issuance shall specify the relevant details of the manner in which such new note issuance shall take effect and where the Noteholders can obtain copies of the new terms and conditions of the new notes. Such new notes shall be issued without any cost or charge to the Noteholders.

Page 16

- 8.2.3 Reinstatement by means of a pooling factor may be made on one or more occasions until the Notes have been reinstated in full (save in the event of occurrence of another write-down pursuant to Condition 8.1 (*Loss absorption following a Trigger Event*)).
- 8.3 Reinstatement Limit
- 8.3.1 Any reinstatement of some or all of the principal amount of all relevant outstanding Additional Tier 1 Capital instruments, where the principal amount of such Additional Tier 1 Capital instruments has been written down, may not at any time exceed the reinstatement limit applicable to the Issuer and the Group at such time (the “**Reinstatement Limit**”). Subject to Condition 8.5 (*Maximum Distributable Amount restriction*), the Reinstatement Limit will be the lower of the Available Reinstatement Amounts calculated for the Issuer in accordance with Condition 8.4 (*Available Reinstatement Amounts*).
- 8.4 Available Reinstatement Amounts
- 8.4.1 The “**Available Reinstatement Amount**” for each of the Issuer and the Group will be calculated as the amount equal to the Net Profits, multiplied by the ratio of the Original Principal Amount of all relevant outstanding Additional Tier 1 Capital instruments, where the principal amount of such Additional Tier 1 Capital instruments has been written down, divided by the total Tier 1 Capital of the Issuer or the Group, as the case may be, in each case at the date of the relevant reinstatement, less:
- (a) with respect to any relevant Additional Tier 1 Capital instruments, where the principal amount has been written down, the sum of any principal amounts that have already been reinstated during the period to which such profits relate; and
 - (b) the sum of any amounts of interest or, as the case may be, other periodic distributions in respect of any relevant Additional Tier 1 Capital instruments, where the principal amount has been written down, and which were paid or have been calculated (but disregarding any such interest which has been cancelled) during the period to which such profits relate on the basis of an outstanding principal amount which is lower than the Original Principal Amount of such Additional Tier 1 Capital instruments.
- 8.5 Maximum Distributable Amount restriction
- 8.5.1 A reinstatement as described in Condition 8.2 (*Reinstatement of the Notes*) shall not be effected in circumstances which (when aggregated together with distributions of the kind referred to in Article 141 (2) of the CRD IV Directive or, as the case may be, any provision of Danish law transposing or implementing Article 141 (2) of the CRD IV Directive, or any successor thereto) would cause a breach of any regulatory restriction or prohibition on payments on Additional Tier 1 Capital instruments relating to any Maximum Distributable Amount.
- 8.6 Miscellaneous provisions applicable to reinstatement
- 8.6.1 For the avoidance of doubt, at no time may the Outstanding Principal Amounts exceed the Original Principal Amount of the Notes.

Page 17

8.6.2 To the extent that the principal amount of the Notes has been reinstated as described above, interest shall begin to accrue on the reinstated principal amount of the Notes, and become payable in accordance with the Conditions, as from the date of the relevant reinstatement.

8.7 No liability

8.7.1 None of the Issuing Agent and any Paying Agent or Calculation Agent shall have any responsibility for, or liability or obligation in respect of, any loss, claim or demand incurred as a result of or in connection with a Trigger Event or any consequent write-down, reduction and/or cancellation of the Notes or of any claims in respect thereof. None of the Issuing Agent and any Paying Agent or Calculation Agent shall be responsible for any calculation or determination, or the verification of any calculation or determination, in connection with the same.

9 Redemption and purchase

9.1 Scheduled redemption

9.1.1 The Notes are perpetual securities and have no fixed date for redemption. The Issuer may only redeem the Notes at its discretion in the circumstances described herein. The Notes are not redeemable at the option of the Noteholders at any time.

9.2 Early redemption upon the occurrence of a Special Event

9.2.1 Subject to Condition 9.7 (*Conditions to redemption etc.*), upon the occurrence of a Special Event, the Issuer may, at its option on any Interest Payment Date, and having given no less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 17 (*Notices*) (which notice shall, subject to the Trigger Event Early Redemption Restrictions, be irrevocable), redeem all (but not some only) of the outstanding Notes at their Outstanding Principal Amounts, together with accrued interest thereon insofar as it has not been cancelled.

9.2.2 The Issuer, having satisfied itself that a Special Event has occurred, shall notify the Noteholders in accordance with Condition 17 (*Notices*) of the occurrence of such Special Event.

9.3 Redemption at the option of the Issuer

9.3.1 The Issuer may, at its option (but subject to Condition 9.7 (*Conditions to redemption etc.*)) and having given no less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 17 (*Notices*) (which notice shall, subject to the Trigger Event Early Redemption Restrictions, be irrevocable), redeem all (but not some only) of the outstanding Notes on the relevant Optional Redemption Date at their Outstanding Principal Amounts, together with accrued interest (if any) thereon insofar as it has not been cancelled.

9.4 Purchase

9.4.1 The Issuer and any other member of the Group may (subject to Condition 9.7 (*Conditions to redemption etc.*)) purchase Notes in the open market or otherwise at any price.

Page 18

9.5 Cancellation

9.5.1 All Notes purchased by or on behalf of the Issuer may (but subject to Condition 9.7 (*Conditions to redemption etc.*)) be cancelled by the Issuer when the Issuer holds the title to them. The Notes are cancelled in the records of VP so that the cancelled Notes cannot be reissued or resold, and subsequently the Issuer has no obligations pertaining to the cancelled Notes. The outstanding amount of Notes will be updated in the records of VP.

9.6 Substitution and variation

9.6.1 Subject to having given no less than 30 nor more than 60 days' notice to the Noteholders (in accordance with Condition 17 (*Notices*)) and the Issuing Agent:

- (a) if a Tax Event and/or a Capital Event has/have occurred and is/are continuing; or
- (b) in order to align the Conditions to best practices published by the European Banking Authority (or any successor or replacement thereof) resulting from its monitoring activities pursuant to Article 80 of the CRR,

the Issuer may, at its option, but subject to Condition 9.7 (*Conditions to redemption etc.*), substitute all (but not some only) of the Notes or vary the terms of all (but not some only) of the Notes, without any requirement for the consent or approval of the Noteholders, so that they become or remain Qualifying AT1 Notes.

9.6.2 Any such notice shall specify the relevant details of the manner in which such substitution or variation shall take effect and where the Noteholders can inspect or obtain copies of the new terms and conditions of the Qualifying AT1 Notes. Such substitution or variation will be effected without any cost or charge to the Noteholders.

9.7 Conditions to redemption etc.

9.7.1 The Notes may only be redeemed, purchased, cancelled, substituted, varied or modified (as applicable) pursuant to Condition 9.2 (*Early redemption upon the occurrence of a Special Event*), Condition 9.3 (*Redemption at the option of the Issuer*), Condition 9.4 (*Purchase*), Condition 9.5 (*Cancellation*), Condition 9.6 (*Substitution and variation*), Condition 12.1 (*Powers of meetings*) or paragraph (b) of Condition 13.1, as the case may be, if:

- (a) in the case of any substitution, variation or modification, the Issuer has notified the Relevant Regulator of, and the Relevant Regulator has not objected to such substitution, variation or modification (as applicable);
- (b) in the case of any such redemption, purchase or cancellation, the Issuer has notified the Relevant Regulator of, and the Relevant Regulator has granted its permission to, such redemption, purchase or cancellation (as applicable) in accordance with the CRD IV requirements (which, as at the Issue Date, are set out in Articles 77 and 78 of the CRR and Article 29 of the 2014 RTS);

- (c) in the case of any such redemption, the Trigger Event Early Redemption Restrictions do not apply to such redemption or to the redemption notice relating to such redemption (as applicable); and
- (d) in the case of a redemption of the Notes as a result of a Special Event, the Issuer has delivered a certificate signed by two of its directors to the Issuing Agent (and copies thereof will be available at the Issuing Agent's specified office during its normal business hours) not less than five Business Days prior to the date set for redemption that such Special Event has occurred or will occur no more than ninety days following the date fixed for redemption, as the case may be.

9.7.2 Any refusal by the Relevant Regulator to grant its permission to any such redemption, purchase or cancellation (as applicable) pursuant to Condition 9.7.1(b) will not constitute a default under the Notes.

10 Taxation (Gross up)

10.1 All payments in respect of the Notes by or on behalf of the Issuer shall be made without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature (together, "**Taxes**") imposed or levied by or on behalf of the Kingdom of Denmark, or any political sub-division of, or any authority in, or of, the Kingdom of Denmark having power to tax, unless the withholding or deduction of the Taxes is required by law. In that event, in the case of a payment of interest only, the Issuer will, to the extent that this would not exceed the Distributable Items, pay such additional amounts ("**Additional Amounts**") as may be necessary in order that the net amounts received by the Noteholders after such withholding or deduction shall equal the amounts which would have been receivable in respect of the Notes in the absence of the withholding or deduction; except that no Additional Amounts shall be payable in relation to any payment in respect of any Note:

- (a) to, or to a third party on behalf of, a Noteholder who is liable to the Taxes in respect of the Note by reason of his having some connection with the Kingdom of Denmark other than the mere holding of the Note or receipt of interest in respect thereof; or
- (b) presented for payment more than 30 days after the Relevant Date except to the extent that a Note would have been entitled to Additional Amounts on claiming payment on or before the expiry of such period of 30 days.

11 Enforcement Events

11.1 No events of default

11.1.1 There are no events of default in respect of the Notes. Noteholders shall not be entitled at any time to file for bankruptcy or liquidation of the Issuer.

11.2 Enforcement Events

11.2.1 If an order is made or an effective resolution is passed for the bankruptcy or liquidation of the Issuer (an "**Enforcement Event**"), any Noteholder may prove or claim in such proceedings in respect of such Note, such claim being for payment of the Outstanding Principal Amount of such Note at the time of commencement of such bankruptcy or liquidation

of the Issuer together with any interest accrued and unpaid on such Note (to the extent that the same is not cancelled in accordance with the terms of the Notes) from (and including) the Interest Payment Date immediately preceding the occurrence of such Enforcement Event and any other amounts payable on such Note (including any damages payable in respect thereof). Such claim shall rank as provided in Condition 4 (*Status of the Notes*).

11.3 Enforcement of obligations

11.3.1 Subject to Condition 11.1 (*No events of default*) and without prejudice to Condition 11.2 (*Enforcement Events*), any Noteholder may, at its discretion and without further notice, institute such proceedings against the Issuer as it may think fit to enforce any obligation, condition or provision binding on the Issuer under the Notes, provided that the Issuer shall not by virtue of the institution of any proceedings be obliged to pay any sum or sums sooner than the same would otherwise have been payable by it.

12 Meetings of Noteholders

12.1 Powers of meetings

12.1.1 A meeting shall, subject to the Conditions (including Condition 9.7 (*Conditions to redemption etc.*)), have power by Extraordinary Resolution:

- (a) to sanction any proposal by the Issuer for any modification, abrogation, variation or compromise of, or arrangement in respect of, the rights of the Noteholders against the Issuer, whether or not those rights arise under the Notes;
- (b) to sanction the exchange or substitution for the Notes of, or the conversion of the Notes into, shares, notes or other obligations or securities of the Issuer or any other entity;
- (c) to assent to any modification of the Notes or the Conditions proposed by the Issuer;
- (d) to authorise anyone to concur in and do anything necessary to carry out and give effect to an Extraordinary Resolution;
- (e) to give any authority, direction or sanction required to be given by Extraordinary Resolution;
- (f) to appoint any persons (whether Noteholders or not) as a committee or committees to represent the Noteholders' interests and to confer on them any powers or discretions which the Noteholders could themselves exercise by Extraordinary Resolution; and
- (g) to approve the substitution of any entity for the Issuer (or any previous substitute) as principal debtor under the Notes or the Conditions.

12.2 Convening a Noteholders' meeting

12.2.1 The Issuer may at any time convene a meeting of the Noteholders and shall convene such a meeting if required in writing by Noteholders holding at least 10 per cent. in principal amount of the Notes for the time being outstanding.

12.2.2 The meeting shall be called by the Issuer in accordance with Condition 17 (*Notices*) giving at least eight (8) days' but not more than 30 days' notice to the Noteholders.

12.2.3 The Issuer shall call the meeting no later than 14 days after having received request to convene a meeting from the Noteholders containing the subject of such meeting. If the Issuer does not call the meeting within the deadline, the Noteholders shall be entitled to call the meeting.

12.2.4 The notice of a Noteholders' meeting shall specify the day, time and place of meeting and the nature of the resolutions to be proposed and shall explain how Noteholders may appoint proxies.

12.2.5 All meetings shall be held in the Aarhus area. The press shall not be admitted to attend a Noteholders' meeting.

12.3 Attendance

12.3.1 At the meeting, each Noteholder must document its holdings of Notes by presenting a custody account statement from VP or an authorised institution evidencing that such Noteholder was registered as a Noteholder on the Business Day specified in the notice referred to in Condition 12.2.2 or by providing other proof of holding satisfactory to the chairman of the Noteholders' meeting. The following may attend and speak at a meeting:

- (a) Noteholders and proxies;
- (b) the chairman; and
- (c) the Issuer, the Issuing Agent and the Paying Agent (through their respective representatives) and their respective financial and legal advisers.

12.3.2 No one else may attend or speak.

12.4 Chairman

12.4.1 The chairman of the meeting shall be such person as the Issuer may nominate or, if no nomination is made, the person elected by the Noteholders present at such meeting.

12.5 Quorum

12.5.1 No business (except choosing a chairman) shall be transacted at a meeting unless a quorum is present at the commencement of business. If a quorum is not present within 15 minutes from the time initially fixed for the meeting, it shall, if convened on the requisition of Noteholders, be dissolved. In any other case it shall be adjourned until such date, not less than eight (8) nor more than 30 days later, and time and place as the chairman

may decide. If a quorum is not present within 15 minutes from the time fixed for a meeting so adjourned, the meeting shall be dissolved.

- 12.5.2 The quorum at any such meeting for passing an Extraordinary Resolution is one or more persons holding or representing not less than 50 per cent. in principal amount of the Notes for the time being outstanding, or at any adjourned meeting one or more persons being or representing Noteholders whatever the principal amount of the Notes so held or represented, unless the business of such meeting includes consideration of proposals (i) to modify the date of maturity of the Notes or any date of payment of interest thereon, (ii) to reduce or cancel the amount of principal of, or the rate of interest payable on, the Notes, (iii) to change the currency of payment of the Notes or the provisions of Condition 8 (*Loss absorption upon a Trigger Event and reinstatement of the principal amount of the Notes*), (iv) to approve the exchange or substitution for the Notes of, or the conversion of the Notes into, shares, notes or other obligations or securities of the Issuer or any other entity, or (v) to modify the provisions concerning the quorum required at any meeting of Noteholders or the majority required to pass an Extraordinary Resolution, in which case the quorum shall be one or more persons holding or representing not less than two-thirds, or at any adjourned such meeting not less than one-third of the principal amount of the Notes for the time being outstanding.
- 12.5.3 No resolution may be passed if it is clear that that resolution is likely to give certain Noteholders or others an undue advantage over other Noteholders.
- 12.6 Voting
 - 12.6.1 Each Noteholder holds one vote for each nominal amount of Note of DKK 0.01. The Issuer and its subsidiaries have no voting rights in respect of Notes held by the Issuer and such subsidiary.
- 12.7 Effect and publication of an Extraordinary Resolution
 - 12.7.1 An Extraordinary Resolution shall be binding on all the Noteholders, whether or not present at the meeting, and each of them shall be bound to give effect to it accordingly. The passing of such a resolution shall be conclusive evidence that the circumstances justify its being passed. The Issuer shall give notice of the passing of an Extraordinary Resolution to the Noteholders in accordance with Condition 17 (*Notices*) within 14 days but failure to do so shall not invalidate the resolution. For the avoidance of doubt, an Extraordinary Resolution passed by the Noteholders shall only be binding on the Issuer where the Issuer has consented to the relevant resolution.
- 12.8 Minutes
 - 12.8.1 Minutes shall be made of all resolutions and proceedings at every meeting and, if purporting to be signed by the chairman of that meeting or of the next succeeding meeting, shall be conclusive evidence of the matters in them. Until the contrary is proved, every meeting for which minutes have been so made and signed shall be deemed to have been duly convened and held and all resolutions passed or proceedings transacted at it to have been duly passed and transacted.

Page 23

12.9 Written resolutions

12.9.1 In addition, a resolution in writing signed by or on behalf of 90 per cent. of the Noteholders who for the time being are entitled to receive notice of a meeting of Noteholders will take effect as if it were an Extraordinary Resolution. Such a resolution in writing may be contained in one document or several documents in the same form, each signed by or on behalf of one or more Noteholders.

13 **Modification**

13.1 The Issuer may, without the consent of the Noteholders, make any modification to the Notes or these Conditions

(a) to correct a manifest error; and

(b) subject to Condition 9.7 (*Conditions to redemption etc.*) any modification to the Notes or these Conditions which is not prejudicial to the interests of the Noteholders.

13.2 Subject as provided in these Conditions, no other modification may be made to the Notes or these Conditions except with the sanction of an Extraordinary Resolution or a written resolution pursuant to Condition 12.9 (*Written resolutions*) or as may be required by applicable laws or a court ruling or decision by a relevant authority.

13.3 Any such modification shall be binding on the Noteholders and any such modification shall be notified to the Noteholders in accordance with Condition 17 (*Notices*) as soon as practicable thereafter.

14 **Further issues**

14.1 The Issuer may from time to time, without the consent of the Noteholders, create and issue further Notes having the same Conditions as the Notes in all respects (or in all respects except for the first payment of interest, if any, on them and/or the issue date or the issue price thereof) so as to form a single series with the Notes.

15 **Prescription**

15.1 Claims against the Issuer for payment in respect of the Notes shall be subject to limitation under the Danish Limitation Act (in Danish: *lov om forældelse af fordringer*) and shall become void unless proceedings have been commenced or the limitation period has otherwise been suspended or interrupted pursuant to the rules of the Danish Limitation Act within 10 years (in the case of principal) or three years (in the case of interest) from the date when the creditor was entitled to claim payment within the meaning of section 2 of the Danish Limitation Act.

16 **Replacement of Agents**

16.1 The Issuer reserves the right to appoint a successor paying agent or calculation agent in accordance with the rules and procedures of VP from time to time, provided, however, that the Issuer shall at all times maintain a Paying Agent which is authorized to act as an account holding institution with VP and a Calculation Agent (which may be the Paying Agent).

17 Notices

17.1 All notices regarding the Notes will be deemed to be validly given if published in accordance with the procedures of VP in force from time to time or in a manner which complies with the rules of any stock exchange or other relevant authority on which the Notes may later be listed or admitted to trading.

18 Force majeure

18.1 Even in areas where a stricter statutory liability applies, neither the Issuer nor the Issuing Agent, the Paying Agent or the Calculation Agent shall be liable for losses due to:

- (a) the breakdown of or lack of access to IT systems or damage to the data of these systems which can be attributed to paragraphs (b) to (d) below regardless of whether the Issuer, the Issuing Agent, the Paying Agent or the Calculation Agent (as relevant) itself or themselves or an external supplier is responsible for the operation of the systems;
- (b) failures in the Issuer's, the Issuing Agent's, the Paying Agent's or the Calculation Agent's (as relevant) power supply or telecommunications, statutory intervention or administrative acts, natural disasters, war, insurrections, civil riots, sabotage, terror or vandalism (including computer viruses and backing);
- (c) strike, lockout, boycott or blockade regardless of whether the conflict is directed at or initiated by the Issuer, the Issuing Agent, the Paying Agent or the Calculation Agent (as relevant) itself or themselves or its or their organisation and regardless of the reason for the conflict and whether the conflict affects all or part of the Issuer, the Issuing Agent, the Paying Agent or the Calculation Agent (as relevant); or
- (d) other circumstances beyond the Issuer's, the Issuing Agent's, the Paying Agent's or the Calculation Agent's (as relevant) control.

18.2 If circumstances mentioned in Condition 18.1 occur, which make it impossible for the Issuer, the Issuing Agent, the Paying Agent or the Calculation Agent to comply with their obligations under these Conditions (to the extent they have any obligations under the Conditions), including (but not limited to) the Issuer's obligations to make payments under the Notes, these obligations will be suspended until the circumstances in question cease.

18.3 The Issuer's, the Issuing Agent's, the Paying Agent's or the Calculation Agent's exemption from liability pursuant to Condition 18.1 will not apply if:

- (a) the Issuer, the Issuing Agent, the Paying Agent or the Calculation Agent (as relevant) should have anticipated the factor causing the loss when the agreement was entered into or should have avoided or overcome the reason for the loss; or
- (b) the Issuer, the Issuing Agent, the Paying Agent or the Calculation Agent (as relevant) is liable for the factor causing the loss pursuant to applicable legislation.

- 20.1.1 These Conditions and the Notes shall be governed by, and construed in accordance with, Danish law.
